Exitel Plus

Reg. No. G4226 (Act 36/1947)

Exitel Plus XL

Reg. No. G4227 (Act 36/1947)

COMPOSITION AND DOSAGE

The recommended dose rates are 15 mg/kg body weight febantel, 5 mg/kg pyrantel (equivalent to 14,4 mg/kg pyrantel embonate) and 5 mg/kg praziquantel.

This is equivalent to one **Exitel® Plus** tablet per 10 kg body weight.

This is equivalent to one **Exitel® Plus XL** tablet per 35 kg body weight.

Dogs of more than 35 kg body weight should be given one **Exitel® Plus XL** tablet plus the appropriate quantity of **Exitel® Plus** (G4226) tablets equivalent to one tablet per 10 kg body weight.
